### **REASONS FOR ALLOWANCE**

This application is in condition for allowance except for the presence of claims 4-11 directed to inventions non-elected without traverse. Accordingly, claims 4-11 have been canceled.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by **37 CFR 1.312**. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Cancel claims 4-11.

The following is an examiner's statement of reasons for allowance:

Claim 1 is allowable for the reasons set forth in the amendment filed March 22, 2006. Specifically, claim 1 has been amended to further recite a guide groove and a radial through hole on the engaging portion. The resulting combination is not shown or taught by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
